

12th graders lets visit
California State Fullerton &
University of California
Irvine

Wednesday September 25, 2024

"Let there be light" -UC Irvine

"Achieve Greatness" -Cal State Fullerton

UCI's students, faculty and staff reach beyond the classrooms and laboratories to address social issues and improve the human condition. A major intellectual and cultural center, UCI engages the community through many public activities and events. UC Irvine combines the strengths of a major research university with the bounty of an incomparable Southern California location.

Interested in healthcare or the sciences? In the humanities, arts or teaching? In business or communications? If you're not sure yet — that's ok too.

At Cal State Fullerton, you'll find diverse, caring faculty and staff in more than 100 degree programs who will help you discover your passions, support your progress and celebrate your success in achieving your goals and dreams.
